

ConnectiCare Medicare Advantage **Passage Dual (HMO SNP)**

2019 Pre-Enrollment Checklist

Before making an enrollment decision, it is important that you fully understand our benefits and rules. If you have any questions, you can call and speak to a customer service representative at 1-877-224-8220 (TTY: 1-800-842-9710), 7 days a week from 8:00 a.m. to 8:00 p.m. ET.

Understanding the Benefits

- Review the full list of benefits found in the Evidence of Coverage (EOC), especially for those services for which you routinely see a doctor. Visit connecticare.com/medicare or call 1-877-224-8220 (TTY: 1-800-842-9710) to view a copy of the EOC.
- Review the provider directory (or ask your doctor) to make sure the doctors you see now are in the network. If they are not listed, it means you will likely have to select a new doctor.
- Review the pharmacy directory to make sure the pharmacy you use for any prescription medicines is in the network. If the pharmacy is not listed, it means you will likely have to select a new pharmacy for your prescriptions.

Understanding Important Rules

- In addition to your monthly plan premium, you must continue to pay your Medicare Part B premium. This premium is normally taken out of your Social Security check each month.
- Benefits, premiums and/or co-payments/co-insurance may change on January 1, 2020.
- Except in emergency or urgent situations, we do not cover services by out-of-network providers (doctors who are not listed in the provider directory).
- This plan is a dual eligible special needs plan (D-SNP). Your ability to enroll will be based on verification that you are entitled to both Medicare and medical assistance from a state plan under Medicaid.

Summary of Benefits – ConnectiCare Passage Dual (HMO SNP)

January 1, 2019 – December 31, 2019

Outpatient Prescription Drugs

As a member of ConnectiCare Passage Dual (HMO SNP), you are automatically enrolled in Medicare Part D prescription drug coverage. Because of your eligibility for Medicaid (HUSKY), you should receive Extra Help from the government (Low Income Subsidy) to help pay for your prescription drugs.

“Extra Help” means that you will receive help paying for your Medicare Part D premium, annual deductible (the amount you pay before your plan starts to pay), and prescription drug cost shares (the amount you pay for a covered drug).

Prescription Drug Costs

Please refer to the table on the following page for the cost-sharing for a one-month supply of a drug. We will send you a separate insert, called the “Evidence of Coverage Rider for People Who Get Extra Help Paying for Prescription Drugs” (LIS Rider), which tells you about your drug coverage. Because you are eligible for “Extra Help” or “Low Income Subsidy” (LIS), the amount you pay is determined by the prescription and your LIS. Please refer to your LIS Rider and/or Evidence of Coverage for more information on what you pay.

If you want to know more about the coverage and costs of Original Medicare, look in your current **“Medicare & You”** handbook. View it online at <http://www.medicare.gov> or get a copy by calling 1-800-MEDICARE (1-800-633-4227), 24 hours a day, 7 days a week. TTY users should call 1-877-486-2048.
